

LA CARICA DEGLI OTTOCENTO

Tra noi tutto il gotha dell'animazione europea

Walt Disney, Cartoon Network, Mtv; basterebbe ro questi tre colossi per comprendere che tipo di squadra mette in campo il Cartoon Forum. Il Gotha dell'animazione europea è qui e qui, a Varese, è in gioco il futuro di ambiziosi progetti legati all'animazione televisiva. Ovvero ciò che noi (e non solo i nostri ragazzi) vedremo. E davanti alla lista dei partecipanti se i nomi dei singoli possono risultare ai non addetti ai lavori poco noti, certo quelli delle società (compreso Clan Celentano s.r.l.) appaiono ben più familiari. E rappresentano una spia dell'importanza di quello che è - non solo per Varese - un evento.
