

PARTNER WITH CARTOON

Visibility & Engagement Opportunities for Event Partners

CARTOON offers a range of attractive opportunities to **boost your visibility and engage directly with professionals from across the European animation industry**. As a partner at our events, you can benefit from high-profile brand placement and unique moments to connect with your audience. Here are a few examples:

For All CARTOON Events:

- **Branded Lanyards:** Your logo or visuals featured on the official event lanyards, worn by all participants for the entire duration of the event.
- **Promotional Displays:** LED screens and banners are available to showcase your visuals or video content in high-traffic areas throughout the venue.

At Cartoon Movie & Cartoon Forum:

- **Croissant Shows (Mornings) & Coffee Shows (Afternoons):** Before the project pitches begin, around 900 participants gather to watch the projects' trailers. This prime slot can feature your promotional video, ensuring maximum visibility.

At Cartoon Masters:

- **Branded Coffee Breaks:** Position your brand at the heart of networking moments. Coffee breaks between sessions can be organised under your name and branding.
